Deckmaster - user's manual

Deckmaster Is a colorless organic quick cleaner for varnished and unvarnished surfaces.

A strong alkaline degreaser for the cleaning of all ship decks,
that have been painted/varnished.

Removes Diesel oil, rubber stripes, old wax layers, sunscreen stains, fat, moss,
algae, coaldust, soot.

Suitable for:

- Flexi teak deck,
- teak deck,
- epoxy deck

- all sorts of hardwood,
- iron and plastic surfaces.
- ❖ **Do not use** on mirrors, glass and stainless steel.

MASTER·YACHT·CARE

Application:

Applicable by mopping in, spraying and rubbing with a scouring sponge or hard brush.

Allow this plus minus 10 minutes to reach the correct result.

Stimulate by going over it again with the brush. Rinse with plenty of water.

Recommended dosage:

Normal contamination: 1:20

Heavy contamination: 1:10

Extreme contamination: 1:1

Note: Test the surface to be cleaned by testing it on an eye-catching area.

Keep frost-free.

Warning:

Causes skin irritation. Causes serious eye damage. Keep out of reach of children. Read the label before use. Wash hands thoroughly after handling. IF ON SKIN: wash with plenty of water and soap. IF IN EYES: Rinse cautiously with water for a few minutes; remove contact lenses if possible; keep rinsing. Call a doctor immediately. When seeking medical advice, keep the packaging or label available. Contains: sodium metasilicate pentahydrate, <5% non-ionic surfactants.

The manufacturer / supplier is not liable for direct or indirect consequences of incorrect product use or no follow-up of the given advice supplied by the company or distributor.
